Article 10 - RATES & RESALE

RATES

These special Tour Operator rates are:

- Net of all commission
- Exclusively valid throughout the validity of this contract excluding close out date
- Only applicable to the number of rooms on allotment and categories specified on the grid of Tour Operator rates appended to the contract.
- For any requests on room categories that are not specified on this grid, a commission of 10% will be granted on public rate

RESALE

These special Tour Operator rates are exclusively intended for « business to business » use.

Consequently, these net Tour Operator rates must be used in the context of a re-sale with a professional in the tourist industry (such as a travel agency), necessarily implying the application of respective and successive financial margins and cannot be seen by the end-consumer on Internet.

The signatory of this contract must be an intermediary on the professional tourism industry and therefore cannot use these rates as part of a re-sale to a website publishing prices visible to end-consumer.

In case of non respect of the rule & discovery of any publication available on web site, HOTEL reserves the right not to honour the reservations concerned and to claim a refund equal to the rate per night sold X 10.

Tests will be made regularly by the hotel to the several websites involved.

In case of non-respect of this clause, the hotel also reserves the right to end this present contract with immediate effect, by means of a Registered Letter with Request for Acknowledgement of Receipt.

It is planned between the parts, and the signatory commits to it formally and expressly, that all the effective sales by the signatory via internet must be made with a minimal additional margin of 20 % with compared to the rate you benefits

In case of the non-respect of this measure, imperative for the hotel because of the necessity to control as its rate as its image, the signatory will be obliged, as damage and interests, of a sum already fixed at ten times the difference between the rate which should have been applied to the minimum and the rate which will have been applied below 30 % by it Signatory, multiplied by the number of overnight stays.

This decision is of automatic application

Besides, this (negligence) of the signatory in its contractual obligations can entail, according to the hotel, the immediate resiliation and without any compensation nor advance notice of the present contract.
