Venice, resend 02 August 2016 now **From 06 November 2016 to 1st January 2018**

Dear ,
We are happy to share our new birthday!

We are in our sixth anniversary, the hotel was inaugurated in March of 2010 and we thank you again for the always wonderful high collaboration offered to us. During this time we had the advantage to know each other, even better.

We are very honored by the positive feedback we have received from you and from all our friends Travel Agents, all over the world. Your support has been very important for us and for this reason we want, now, to present our new net rate F.I.T. (and/or renewal) for the period from 06th November 2016 to 11th November 2017.

We also wish to inform that Carnival Time 2017 will begin 17th February 2017 until 28th February 2017.
We, as usual, for this event, have prepared our special net rate, very attractive this year.

Please, for our organizational needs, during the period of high season, fairs, weekends, we require a minimum of two-night stay, if the night on Friday or Saturday are involved, ready to favor you, as usual.

Always you will receive the reconfirmation with our serial number for each reservation, with the reference of the Clients and as well, the breakdown for the invoice value, for your and our control to avoid possible error on invoices.
We ask you to inform us about one of your Executive, in charge to our financial account.

As always, we will be attentive to your contributions and suggestions that can improve our offer, please contact us.

Our Offer for the net rate, is valid, stable and secured until 11th November 2017, this can expose, in specific cases, (manual errors, an increase of availability due to sudden cancellations, weather woes, political situations and so on) to the fact, incidentally, that the offered net rate in our website, may be lower, in some single date, in some single room category, of the net rate of the present F.I.T. contract to you
In case, please, we count on your cooperation, inform us and we will solve immediately the situation.

A regular visit to our website, continuously updated, will allow you to always have our information and our availability of the offer quality rooms not provided in our present current contract.

Please note that the service Alilaguna, Orange Line, to/from the Airport Marco Polo, is accessible at the Actv public boat water stop, San Stae, just 50 meters from the hotel, no need to book in advance, ticket cost is very economic including one luggage, per person, and can be, even with the benefit of a small discount to be purchase in advance via web.
Visit www.alilaguna.it, Linea Arancio to view maps and schedules. A unique comfort for our clients at Palazzo Giovanelli & Gran Canal.

We always hope to receive your visit to the hotel in Venice, which will allow us to present, in person, the place where our services.
Hoping to meet you at your earliest convenience, we send our best regards.

Domenico Fort,
General Manager,
