HOTEL'S PROFILE:

Katikies Mykonos, masterfully intertwines boutique luxury comforts with mother nature's monumental natural setting & infinity pools with views that continue down into the azure waters of the Aegean Sea.

Careful attention has been given to all amenities and services that are available to guests from the selection of fine dining options, the two infinity swimming pools, sunbathing decks, to the A.spa and the gym.

MIKRASIA DINNER EXPERIENCE

From the distillation of the culinary traditions of Asia Minor, the famed cuisine of Constantinople compassed the traditions of what Greeks still call today "Politiki Kouzina". Mikrasia is about redefining the classic Byzantine cuisine fashioned in a different modern way. Committed to the Asia Minor culture that never ceased to develop and to innovate, our aim is to preserve a little taste of what Byzantine food has been like, based on the merging of different local ingredients and aromas that lead to a burst of colors and flavors.

SELTZ CHAMPAGNE BAR & RESTAURANT

The time of day and occasion are the factors that differentiate the view. Whether dining in the day whilst overlooking the azure waters of the Aegean or enjoying sumptuous and romantic sunsets or candle lit dinners, SELTZ Champagne Bar & Restaurant will engulf you in its casual sophistication.

WINE TASTING

Enjoy the symphony of colors of the famous Mykonos sunset during our ceremonial wine tasting. Hypnotizing sunset hues provide the perfect accompaniment to the tastes and textures that abound from exquisite Greek wines.

THE A.SPA

A.SPA is embraced by the earth, built as a handcrafted refuge. All of the cabins have a treatment oriented design and a conception based on the couples' integration. Highly trained therapists and luxurious spa products are to pamper, relax, purify and renew. Among the Mediterranean inspired baths and massages, there are couples' sessions, feet washing rituals, rejuvenating facial and body treatments.

TECHNO GYM SUITE

Perfect for helping you stick to your workout program or jump-start a new fitness routine, our state-of-art fitness and cardio equipment are available to cater for all your health and fitness needs.
