INTRODUCING TANEFER

“TaNefer” is a pharaonic word that translates to “the prosperous beautiful land with numerous blessings,” this land can be no other than the land of Egypt, where pharaohs built their mystic and progressive civilization, leaving us with abundant evidence of their unceasing treasures, inducing historians and scientists to unravel more of its riches, and for nations to be enriched by the most renowned civilization in history.

TaNefer Tours is a travel agency which has transformed the concept of traveling from a merely business perspective to a self-discovering journey. It has achieved that goal through implementing the latest technology into creating a conceptual traveling experience, using the expertise of highly qualified and knowledgeable staff who are prepared to meet your needs through decades of experience. We promise you a life changing experience.
